"We sent a program manager to NNFP's Creative Leadership program. He returned energized, more self aware, and more passionate about his role leading our sustainable agricultural work. Since the training, he has stepped up in many ways to build our initiative, bring in new money, form new partnerships, and be an important resource to other staff and myself. Thanks NNFP!"

~ Michelle Decker, Executive Director, Rural Action

Facilitated by Barbara Wyckoff

Barbara is a certified coach (CPCC) with extensive training in leadership development. Bringing experience and solutions from her work with over 40 organizations, she has a knack for spotting strengths and deepening learning. She will ask you to do what you won't ask yourself!
